

Is Koobface Botnet's Master KrotReal Back in Business? Try the Adult Entertainment Industry First!

Dancho Danchev decided to dig a little bit deeper into Koobface's Botnet Master KrotReal using his own techniques and methodology and actually attempt to find additional information on KrotReal's online whereabouts as of 2022 in terms of malicious and fraudulent activities. He found evidence of several new domain registrations using the original krotreal@gmail.com personal email which Danchev originally profiled and exposed in his original OSINT analysis back in 2012.

Sample domains known to have been involved in the campaign include:
